
Congratulations to our newest chapter "Lone Star Kings"

By Rich Mullins, President

Pat Niccum and Connie Dutton certainly should be commended for the fine job in organizing this chapter. We were able to be in Texas when they received their charter. They have 10 rig charter members. We are excited and welcome the new chapter.

Unlike many other RV brands that have their rallies in the same place time after time, our Kings on the Road Club has been innovative and taken their members to different areas of the country.

We have been privileged to visit different states, learn more about their cultures and explore their beautiful land. What a great thing to be able to do as a group! Now, we are coming up to 2007 Fall Rally which will be in Lancaster County, PA, and, hearing of all the things our Wagon masters Dave and Ruth Anne Starnes have planned, it should be a fabulous time. Be sure to get your reservations in so you don't miss anything!

We have the Central Kings, with Norma and Marv Jablonski as Wagon masters, working on the 2008 rally to be held in South Dakota. Sierra to the Sea group is now beginning to plan our 2009 rally in California. All these plans are so exciting; it makes it hard to wait. We feel it is akin to being at a family reunion every year where we look forward to renewing old friendships and making new ones. Where else can we make that connection? Our club is unique because we feel like an extended family and there isn't anything better than that.

In checking gas prices, there is only 2-3 cents per gallon difference from the last two years. I feel the media does us a disservice by always doing a "doom and gloom" thing. Sometimes we have to make our trips more direct and not take the "scenic route", but we wouldn't miss one of our rallies if we can possibly help it. I hope you all feel the same way and we are looking forward to hugs and visiting with you in Pennsylvania. Make your reservations now and have SAFE TRAVELS.

Wrap Yourself in Amish Culture

At this year's rally you'll have a chance to take home a valuable piece of Amish culture and Lancaster County.

Now is the time to take advantage of this year's location and this unique opportunity to own a prized, handcrafted work of art. HINT: It's useful, non-breakable, and not too heavy – plus, it keeps you warm at night. We'll be raffling a genuine, Amish-made quilt! So check out your colors and dream about what pattern you would like. See you in New Holland with (quilted) stars in your eyes. *By Linda Jackson*

THIS YEAR'S GOLF EVENT

Our annual golf outing while at the National Rally will be held at Honeybrook Golf Club, a gorgeous Eastern Pennsylvania golf course. Cost is \$36.00 per person which includes green fees (9 or 18 if you have time), cart and prizes. The course also offers a club house, restaurant and bar for your pleasure. We could hold a Luncheon there.

Check it out at HoneybrookGolf.com
Let's have some fun, I'll see you there.

Greetings from Your Vice President

By Barbara Crookshank, VP

At this writing we are just three and one-half months from our 13th rally in New Holland. What a wonderful time we are going to have, thanks to Dave and Ruth Anne Starnes, Verne Orcutt and Linda Jackson. They have planned some very exciting activities for us.

We have received 32 reservations to date. This is a rally you will not want to miss; there is so much to see and do in this area. Each year we have some members that for different reasons do not make it to another rally. Do not let this opportunity to get together pass with out the presence of each of us.

We are trying to get some vendors who have not attended any of our rallies, have not been in the past three or four years. We have some who were there last year that are interested in attending and willing to pay.

For those who are signed up for the "Autumn in New England" trip, I was notified today that there have been a few cancellations due to health or emergencies and the planned trip still has 17 rigs booked. We need to fill the last 5 spaces. If you would email the group or contact them in what ever way you see fit to see if any one would like to go. They can call me for their reservation. My contact information is: Barbara Crookshank, 1016 E. Diane Terr, Mustang, OK 73064, cell 405-642-3028, croo@swbell.net

These are the dates and prices: Date Sept 26 to Oct 18, 2007, Two people and a rig: \$3,895.00, One person and a rig: \$2,895.00, Extra person: \$1,695.00. Contact: Lisa Marks

Things You Need But Can't See – Auction

Remember the Brown Bag Auction?

Well, we're going to continue the long tradition at the New Holland National Rally, **but we are going to make some changes for 2007.** First, the brown bag is no longer a requirement – any bag, basket, box or whatever that you can't see through is OK. Second, at the suggestion of the new auctioneer (see below), we're calling it a "Things You Need but Can't See Auction." Third, we will take a suggestion and identify "bags" that contain alcohol so bidders can know a little about what they can't see.

Other "rules" will remain the same as the past. We are asking each rig to bring at least one donation in a bag, basket or box. We are asking that the contents

Door Prize Solicitation

Calling all generous of heart and spirit! We are looking for some really good and special door prizes for 2007. In keeping with the Amish culture of less is more, our emphasis will be on quality and value. In addition to the cash and free registrations for next year's rally provided by the club, we seek door prize donations from individual club members, chapters, sponsoring dealers and "local" or RV businesses.

So, Chapters remember to bring something to the rally. If you still have an active "sponsoring" dealer, please consider asking them to donate. Personal door prize donations from Kings on the Road members are totally voluntary. Feel free, however, to solicit your local businesses for donations.

We look forward to seeing all of you at New Holland in September.

Jack and Donna Dickinson,
Door Prize Committee

Basement Sale

Wait! Don't toss that stuff just yet.

Why not bring it to our "Basement Sale" at the rally? We will provide the tables to put your stuff on. Just price it, sit there, and sell it. So, clean out those closets, cabinets and basements (in your house *and* R.V.) this summer. You might just have what someone's been looking for!

Ruth Anne Starnes, Co-Wagon Master

Rally 2008 in the Black Hills

Marv and Norma Jablonski have been working tirelessly on our 2008 Rally to be held in the Black Hills of South Dakota from September 28 through October 5th at the Hart Ranch near Rapid City, SD.

Among the highlights already on the schedule are the tour to Mt. Rushmore including a Buffalo Roundup, scenic view of the Black Hills and wildlife, the museum at Crazy Horse, and of course, the impressive Mt. Rushmore itself.

Later in the week there will be a visit to the Fort Hays "Dance with Wolves" movie set, a chapter chili cook-off, Ladies Luncheon at the K-Bar-S Lodge and Men's luncheon at the Firehouse Brewing Company.

These are just the highlights; there are many more activities on the schedule that you won't want to miss. Get out your 2008 calendar and mark the dates for another exciting National Rally.

Fantasy Fall Colors Tour

As many of you know Fantasy Tours is holding an exclusive Kings on the Road tour, Autumn in New England featuring the spectacular Fall Colors of the area. This is a 23-day, 975 mile, tour beginning September 26th in Mystic Seaport, CT and ending in Niagara Falls, Canada on October 18th.

The tour covers seven states, including a city tour of Boston, lobster dinner in Kennebunkport, Maine, a scenic train voyage through New Hampshire's brilliant countryside, a cog railway up Mt. Washington to view the majestic White Mountains in their fall finery, a trip through the heart of Americana in Vermont, a visit to the Baseball Hall of Fame and Foremost Art Museum in New York with a grand finale in magnificent Niagara Falls, Canada.

The cost is still the same, one rig-2 people \$3,895. For more information contact Lisa Marks, 1-800-952-8496, direct line 1-970642-4596, or cell phone 970-275-9497.

New Seminars for Members, By Members

Yes, lots of changes this year! We hope this latest addition will provide something of interest for everyone. First, for the ladies, we want to offer an "Update Your Rig" seminar, focusing on interior improvements made by you, our members. To do this we would like to have 5 or so of you volunteer to show people through your "house" and explain about the improvements you've made. We could model it like a progressive dinner, with 4 or 5 people moving from one

house to another every 15 minutes. We figured that since some of you have models over 3 years old and have probably made some changes (you all know how we just love to do that!), you may be willing to share just how you did it. If so, please contact Wagon Masters Dave and Ruth Anne Starnes.

Now for the guys... We know you just can't resist buying those toys. You do know that the only difference between men and boys is the price of their

toys! How about being able to buy those toys at the best price have them delivered to your door with no sales tax and often free shipping? This is the seminar for you. We will show you how to quickly and safely shop on the Internet. Yes, it can be done without fear of identity or credit card theft. So, come to this seminar and learn how to save lots of dollars using the Internet. We can swap some stories about individual experiences too.

have a minimum value of \$10.00. Please, no "gag" gifts or junk. The best things are consumables and small, useful things in or for the RV.

Bill Wright has volunteered to be the auctioneer. Many of you will remember Bill's debut as a 50:50 salesman at the Full Time Kings fall rally in Branson. His enthusiasm took the Full Time Kings to a new record and entertained us all. So, come prepared to laugh, support Kings on the Road and leave the rally with a worthwhile item or two.

A note from the Editor...

It seems many of us are busy, and often procrastinate or simply forget to take care the small things in life. I am one of those individuals and often wait until the last minute.

The Board and membership have taken a very strong stand on the importance of annual dues payments. As of this newsletter, members who have not paid their annual dues by June 1, will be considered delinquent, will be dropped from the membership roles, and will not be sent any future newsletters.

We would like to see all of our members continue to enjoy the fellowship, travel and comraderie. Please take a minute and send your check.

**FULL TIME KINGS
2008 FALL
RALLY**

IN SOUTH DATOKA

ALL MEMBERS OF KINGS ON THE ROAD ARE INVITED TO ATTEND THE 2008 FALL RALLY IN SD.

Our rally is the week before the 2008 National Rally. We can not hold the rally at the same park as the national due to a conflict with another rally which had already booked that week. Suggestions for a location within 2-3 hour driving distance of Rapid City would be appreciated, as well as suggestions for activities in the area.

SPRING GULCH NATIONAL RALLY

Reservations, Parking Preferences, Early Arrivals, Late Departures

Reserve early! You will have the best chance of getting your parking preferences and, for early arrivals, the best rate and reduced likelihood that you may have to relocate. Read the rest and you will see why...

You will be asked to indicate two preferences for parking on your registration form. The easy one involves your preference for the Chapter you want to be parked with. The other preference deals with upper or lower level site selection. OK, so how do you decide between upper and lower level?

Upper Level. These sites are big, wooded, private and beautiful. They have 50 amp service, free cable TV and fire rings. All of the Chapter parking areas will be in the upper level. They are over a half-mile and uphill from the meeting hall. We will have two shuttle vans for transportation between the sites and the hall. Or you can use your own vehicle. There's plenty of parking by the hall. We expect most Kings will prefer the upper level. We have 78 upper level sites for the National Rally and 34 for the Full Time Kings rally.

Lower Level. These sites are smaller, fewer trees and have only 30 amp service with no cable TV. They are, however, conveniently located adjacent to the hall. If more want these sites than are available, preference will be given to handicapped, Board and Sponsoring Chapter members who will need frequent access to the hall. We have 20 lower level sites for the National Rally and 6 for the FTK Rally.

Early Arrival Dates and Times. First, a comment about camping in the Northeast. Campgrounds are oriented toward family weekend camping. Most campgrounds are full or nearly full on Friday and Saturday nights and near empty between Sunday afternoon to Friday afternoon. They have later check out and check in times so families can leave work on Friday and remain for the better part of Sunday. **The official check in time is 3:00 PM. However, most sites are vacant by 12:00 PM and "guaranteed" vacant by 2:00 PM. Plan your arrival times accordingly.**

At Spring Gulch, advance reservations are a *must* for weekends. So, if you want to arrive before Sunday, you **must** get your reservation in early – before August 1. You may either:

1. Make the arrangements on your registration form; *OR*
2. Contact Dave or Ruth Anne Starnes at wdsras@aol.com or 215-353-7672

Do not call the campground.

Late Departure Dates. Staying one to five days after the National rally should not be a problem because these are weekdays. The unlikely worst case is you might have to move to another site.

Please note the rate changes !!

Rates. For early arrivals or late departures, the campground will honor the rally rate of \$22/day with the following exceptions:

- **From Sept 3 - 27th the rally rate of \$22/night will apply for reservations made before August 1.** For reservations made *after* August 1, you will have to pay the standard \$52/night weekend rate.
- This change will provide an opportunity for members desiring to come early, and/or stay over to see more of the area on their own at the rally rate.

For an early arrival date or late departure date, you will pay the campground upon your arrival.

The bottom line is: ***Plan ahead and reserve early!***

A Salute to Our New Members

We would like to welcome you to Kings on the Road, and hope you will find many memorable years of traveling and fellowship. Many of you may know by now, not only are we a national group, but we have regional chapters as well.

You are invited to rendezvous with any one of our regional chapters in your travels. By doing so, you will have the opportunity to see and learn more about the nearby attractions and culture, as well as enjoying the fellowship of travelers like yourself. In our newsletter which is printed quarterly, you will find a schedule of events and campouts which are submitted by the regional chapters. You do not have to be a member of any specific chapter to join in the activities which are listed; they will be most gracious in your attendance and show you around.

Please consider joining us at the National Rally which will be held in New Holland, PA this year. It is a wonderful area, a great RV Resort, and an abundance of superb food.

Warm regards, Verne Orcutt

NEWS FROM OUR CHAPTERS

By Verne Orcutt, President

The Nor’easter’s held their spring campout at Spring Gulch the first of June; part of which was social, and yes, business meetings and planning sessions as well; fine tuning last minute details for the National Rally. We had seven rigs and two guests staying at the cabin. Our special thanks go out to Lorrie Coleman and Bunny Nicely and Mike and Sharon Shull who are serving as Wagon Masters for the Full Time Kings Rally.

Our Wagon Masters, Dave and Ruth Anne Starnes have dotted all of the I’s and crossed all of the T’s so that your attendance will be a rally you will remember for many years. During their many trips to the area, Dave and Ruth Anne have had the occasion to meet many of the Amish families and established a close personal relationship. Their personal relationship and mutual trust will provide us as members, an opportunity to meet many of these people on a more personal level and learn more about their culture, life style and interests.

The campout was not all work. We had the opportunity to be invited to the home/farm of one of our Amish neighbors for supper, and what a spread! In exchange, we invited the same family to join us at our campsites to share in a “trash can” turkey pot luck supper, and once again, what a meal. Later, their children went to the pool and had a great time while we chatted with our guests, both learning a lot from each other. Be sure to reserve time on your busy calendar and join us this fall at Spring Gulch.

CENTRAL PLAINS

By Norma Jablonski, President

April 20th the Central Plains Kings four rigs went to Fort Kearny State Rec at Kearney NE. In the spring the world's largest concentration of sand hill cranes and waterfowl gathers in this central Platte River valley. The weather didn't co-operate as it was stormy and rainy; not great for outdoor activities. But our hardy Kings played cards and ate out, so it was an enjoyable weekend. Sat. night two additional couples joined us for dinner in Kearney.

May 17th, five rigs made their way to The Black Hills in South Dakota to plan the National Rally in 2008. We stayed at Hart Ranch the site for our rally. This resort is nestled in the 13,000 acre working Hart Ranch. The sites are large, level, and nicely treed. The main pool, pavilion, lodge and kitchen area should serve us well. We reserved the Anderson Lodge, a 6-plex building. The rooms have a bedroom, large bath and living room. Anyone that doesn't want to drive his or her rig across country can still enjoy the rally. We can reserve additional rooms if we have the need. They are very clean and pleasant; I would call them motel rooms. We spent 4 days with appointments seeking the best attractions in this breath-taking natural beauty and pine-clad mountain area. See what exciting events we have planned for you in another section of the newsletter.

June 14-16th we will have gone to Victoria Springs Park Anselmo, NE. Other campouts are listed on the back of the newsletter.

LONE STAR KINGS

The new Texas Chapter has a website under construction and is publishing their first newsletter on June 1. They have a group site in the Yahoo Groups area for exchanging ideas and information. It is an excellent way of being able to exchange information with all members of the chapter without having to send it to each person in an individual email.

Anyone interested in joining the Texas Chapter, contact one of the officers. The website will carry the contact point for the officers when it is completed. It will also be linked to the National and we will request the national to link to the Texas website when it is completed.

MARK YOUR CALENDAR FOR THESE EVENTS

EDITORS NOTE:

Due to space and time, I was unable to place all of the Chapter articles. Thank you for your contributions. I will place these in our next newsletter. Verne Orcutt, Publicity Chair
