

## 2008 Rally plans are coming together...

*by Marvin and Norma Jablonski*

Planning for the 2008 National Rally continues as we work on some great activities and events. Our very talented Ruth Anne Starnes is currently working on the design for our Rally shirts. We have chosen a forest green long sleeved shirt. The design will consist of a bison and the famous Mt. Rushmore monument.

This year, we are introducing a little competitive spirit among the Chapters by holding a Chili Cook off. So, get out your caldrons, decorative chili bowls, your favorite recipes and all the fixings and bring them with you when you come to the Black Hills. Each chapter should provide sufficient chili for your group. There will be a \$25 prize for the best decorated table and most entertaining chapter. Ice Cream, movie and popcorn will follow.

Other activities will include the Buffalo Roundup at the beautiful Custer State Park. The event attracts more than 11,000 people. The event also gains attention around the globe. Foreign correspondents cover the story for their readers back home and a satellite beams the roundup live to other continents. Our timing couldn't be better to attend such a spectacular event.

When we leave, we will go to the Crazy Horse monument via the needles. The scenic highways through the Black Hills have cathedral spires, great rock formations, and lush valleys; the aspens should be

## From the President

*Hello Everyone:*

What a Fabulous Fall Rally! It was beyond our expectations and our many "Thanks" go out to our Wagon Masters Dave and Ruth Anne Starnes and Verne Orcutt and Linda Jackson. They did a superb job and we all enjoyed everything. Even the weather cooperated with us. What could be better?

Our trip back to Tucson was uneventful and I think that is the way it should be. We set up our trailer in Tucson and were able to enjoy the sunshine before heading to Idaho to stay with our daughter for a few months. We have had three snowstorms since we arrived but they don't last long. Then I play golf in between times.

Pauline has been to the doctors, had all the tests, had a total knee replacement on November 13<sup>th</sup> and has been in rehab doing quite well. The doctor seems very pleased with the results. She'll have another appointment in January and hopefully we will be able to head south to warmer climates; should be in Tucson by the middle of January. It will be a while before she and the

in full color while we are there. As we squeeze through the tunnels, look back, each tunnel is positioned to view the faces on Mt. Rushmore.

Our next stop will be Crazy Horse. Here you will find history in the making. The first blast was in June 1948. The dedication blast took off just 10 tons. Million of tons have been removed since. Work is now underway blocking out the 22-story high horse's head. The face of Crazy Horse has been completed, and the memorial is huge. Take your time going through the historical museum and enjoy learning about the native culture. This is a great visitor's center dedicated to all Indian cultures.

As we leave Crazy Horse we will head for Mount Rushmore. Begin your Mount Rushmore experience at the Amphitheater for an up-close view of this spectacular sight. The new Grandview Terrace is a comfortable, inviting spot to take in the mountain's full majesty and power. Follow the Presidential Trail from the base of the mountain and you'll nearly be face-to-face with Washington, Jefferson, Roosevelt and Lincoln.

***Be sure to mark you calendar and make plans early to attend. Rally dates will be September 28<sup>th</sup> through October 5<sup>th</sup> at the Hart Ranch, near Rapid City, SD.***

Rally registration forms will be published in the Jan-Mar Newsletter and posted on our web site.

I will be planning a Winter Luncheon with tentative dates: Tucson in late January and Casa Grande February or early March. Mark it down on your calendars and we will let you know. If you will be in area let us know.

I talked with Richard Potter the other day and things are still progressing forward with the company. He attended the Louisville show the week after Thanksgiving. There are still trailers for sale at Dealers. Call him at 402-366-7960 for the locations. PPL has 4 trailers and 8 motor homes, so, if you know anyone who might be shopping let them know. Right now the industry is in a slow down and the prices are right.

HELP WANTED: the 2009 Rally slated for California has been cancelled, due to circumstances beyond our control. We are looking for someone to step forward to find a location (anywhere-USA) and assume the job of Wagon Master. Please give this some serious consideration. We really need your help on this. Please let us know soon as possible so we can line up help.

The National Rally in South Dakota is coming along just fine and what a great experience that will be!! I can't imagine anyone not coming to see this wonderful area and what a super time we will have. Be sure to make every effort to attend.

Our very best wishes for the Holidays and New Year.

Rich Mullins  
National President

## **What Do You Remember About the New Holland Rally?**

As Wagon Masters for the New Holland Rally, our perspective is bound to be a bit different than most of the rally attendees. Yes, we remember the two years of planning,

meetings, phone calls, emails, trips to New Holland, spreadsheets, paper and piles of Lancaster County stuff in the rig. We also remember the prodigious quantity and fine quality of the food we consumed – we just had to test it first ourselves, too. We remember the entertainment, the Amish countryside, the fine weather and the socialization with our many good friends in Kings on the Road. There's more, too...

What really warms our hearts is the astounding amount of help we had making the rally happen. It is extremely gratifying to recall the substantial contributions of so many willing and capable volunteers. There was so much help that we fear that we may have forgotten to acknowledge everyone and all their contributions. To anyone that we may have inadvertently omitted, our sincere apologies.

We not only had full support from every Nor'easter King at the rally, but several of the Full Time Kings pitched in, beginning with attendance at our Nor'easter planning campout at Spring Gulch in June of 2007.

Verne Orcutt and Linda Jackson as Assistant Wagon Masters. The many phone calls, at least four planning meetings together, putting together and printing the program, the ladies luncheon, finding Razzmatazz, awarding the door prizes, hall setup and decorations, sewing 24 table cloths, organizing and running the parking crew, helping with the quilt raffle and just being supportive with every task. We could not have had better!

Jack and Donna Dickinson as part of the Nor'easter Kings. Getting all the door prizes, making the Amish buggy decoration, making signs and setting up the parking area, keeping the refrigerator stocked with root beer and cider and replacing sold centerpieces and apples plus keeping the "farm store" stocked.

Mac and Wanda McLennan, Nor'easter Kings and first timers at a National rally. They got stuck with running the pig roast pot luck, the ice cream social and the farewell breakfast. They did a great job with these and helped as "gophers" too.

Lorrie Coleman who took charge of the "goody bags," made maps for all the out of park events, helped with errands and was always there when a capable assisting hand was needed. Real support from the Full Time Kings.

We cannot forget the help from Mike and Sharon Schull who, in addition to being Wagon Masters for the Full Time Kings rally, ran the truck pools and helped with goody bags. Mike Shull and Bob Oglesbee set up the parking area.

Joe and Marty Habermann who helped as "gophers" when errands needed to be run, insured we had coffee every morning, organized the 50:50 drawings and sold the quilt raffle tickets.

Bill Wright who organized the Golf Outing and conducted the "Things You Need, but Can't See" (Brown Bag) Auction. It is worthy to note that Bill set a new record for dollars/rig at the auction.

John and Helen McDuffie who provided church services for us and insured we had appropriate blessings at all our events. What a blessing it is for us to have them in our club.

Barb and Robert Crookshank for taking care of the rally registrations, acknowledgement letters, helping to keep the site requests and arrival and departure dates straight, getting Vendors and setting up vendor and member seminars.

Keith and Connie Beers who, as in two past years, handled the distribution of the commemorative hats and shirts with perfect capability.

Rich and Pauline Mullens, National Co-Presidents, for their planning guidance and complete backing at every turn and every decision.

Lisa Kurtz, Spring Gulch's campground manager, who just didn't say "no" to anything. What a pleasure it was to work with her.

For incredible memories that will last us forever a very special mention belongs to our Amish neighbors and new friends. The entire Beiler family were involved for over a year in our planning. Can we ever forget Daniel, Barbie, John-Michael, Mary Ann, Samuel and little Lydia; the grandparents, Isaac and Fanny; and the brother and sister-in-law; Elizabeth and Michael. They opened up their hearts, homes and farm and store to us. They introduced us to their Amish friends like the Smuckers who did the gourd tour and classes. They provided buggy and wagon rides, along with homemade cookies and cider. Barbie and Elizabeth made decorations for the hall. They stocked the fruit stand. Most of all, they made it possible for all of us to get closer to the Amish culture and real people than most visitors to Lancaster County ever get. They truly provided the "heart and soul" for our rally. God's warm blessings on them all.

Well, that's what we remember. It was a privilege to be your Wagon Masters. We know we received much more than we gave. A very sincere thanks to so many for so much help and support.

## Sweat Equity

Sweat equity... a term which we hear quite frequently. What rule of measure can we use to determine the real value? There is none that I am aware of, other than it is something that is in the eyes of the beholder.

Since becoming members of Kings on the Road four years ago, I have learned a lot about the true meaning of the term **Sweat Equity**. Soon after joining, I volunteered to fill the position of Publicity Chair as there was an announcement for the opening while attending the Rally in Rayne, Louisiana. Although the position seemed to be quite challenging, I dove in head first. My experience can best be described as that of a person jumping into a cold body of water; a bit shocking at first, but once I got my feet wet, I became upright and began to swim.

This brings me to the point which I would like to make. Our organization has been able to grow and maintain its structure over the past twelve (12) years since it's founding November 16, 1995 with 32 members in Cottonwood, Arizona. This growth and strength has been the result of **VOLUNTEERS** who have served on the Board, and others who have volunteered their time and energy in the interest of promoting the fellowship and camaraderie that we all have known and shared through the years.

Linda and I have always enjoyed traveling, and it was for that reason that we purchased our rig. When learning about our organization which was through our website, we decided to join. We have attended each of the rallies since joining, not just because I serve on the Board, but because of the great value, the opportunity to see our friends again, and the opportunity to see parts of the country which we may not have considered.

**Value**, yes, I mean the big "V", and I don't mean Verne. As I look through Highways, TrailerLife and LifeTimer, I ponder over advertisements for their organized rallies. Like ours, many are described in full page advertisements. However, when I look at the number of days, amenities, activities and package price, I can't help but think how fortunate we are for what we get for the money in our rallies. The most recent Good Sam Rally that comes to mind is a five day venture to the Kentucky Derby in May; cost per rig, two adults \$4,795 with water and electric only, 3 buffet meals, 1 dinner with guest speaker and 1 continental breakfast. It is not necessary for me to go into great detail about the comparison as I am sure you can do the math.

Bottom Line: Our rallies are affordable because we have Wagon Masters and Host Chapters who volunteer at least two years of their time to research sites of adequate size that can accommodate a group our size with the amenities that we need. In

addition, these sites need to be in localities that provide points of interest to the general membership, as well as caterers and other considerations.

**Equals:** Yes, when you look at value and the bottom line, one can only have a greater appreciation of the value of **Sweat Equity**.

Your organization needs volunteers to help carry on with this tradition. Please give consideration to serving on the Board for at least one term (two years), a local chapter or in some other capacity. You will find the experience very rewarding, and not as difficult as it may appear. In closing, I would like to thank all of the members who have volunteered their time and skills in various capacities over the years. If it weren't for you, I may not have had the pleasure of serving such a wonderful group of people.

#### **Publicity Chair / Newsletter Editor**

My term will expire October 3<sup>rd</sup>, and I will have served four (4) years. I have enjoyed working with and serving on the Board, as well as providing the newsletter to the membership. During my tenure, I have standardized forms and set up procedures which minimize the time required in the preparation of the newsletter. The majority of the material which I have had to work with has been provided by the membership, chapter representatives and the board members. Therefore, with some editing skills and a creative mind the person elected to fill the position should be able to assume the duties of the office with a seamless transition. He did want to stress how important Ruth Anne's assistance has been. He also thanked the members of the Nor'easter Chapter and those who attended the Nor'easter spring rally. Dave requested members please complete the evaluation form and place them in the Shady Maple bag.

**UNFINISHED BUSINESS:**

There is no unfinished business

**NEW BUSINESS:**

Rich Mullins made the following announcement;

On Friday morning, September 14<sup>th</sup> I talked to Richard Potter in Elkhart, Indiana and the situation of King of the Road is this:

Chief Industries and Mr. Potter have been in negotiations with different companies. But with the current market and the withdrawal of a major bank for the financing of R.V. units, this has made the potential investors very wary. So, as of this time, there is no change in the status of King of the Road, although negotiations still continue.

Therefore, the Board feels that we should allow King of the Road a full year from now, before we consider making any by-laws changes concerning membership qualifications. The board will keep the membership appraised by Newsletter and Web Site. Any discussion should be within your chapters.

**2008 RALLY:**

Norma Jablonski was introduced as the wagon master for the 2008 rally. The sponsoring Chapter is the Central Plains Kings. The 2008 Rally will be held at Hart Ranch, Rapid City South Dakota. September 28 - October 5<sup>th</sup>. The Black Hills, so named by the Native Americans because the trees were so green they looked black, offers many interesting activities. If members wish to arrive early for the rally they may do so but they may have to change sites for the rally. The campground has concrete pads, cable TV and WIFI. The Central Plains Kings have also reserved the Lodge for any members who do not wish to bring their rigs to the rally.

**2009 RALLY:**

Norman Benson from the Serria to the Sea Chapter communicated with Rich by phone the 2009 rally will be late September through the first of October. Up dates on the rally will be on the web page.

**ELECTION OF OFFICERS:**

Rich introduced Marv Oetjen as the nominating committee. Marv began the elections by announcing Harold Burtzhoff as the only candidate for the office of Vice President. Rich called for nominations from the floor three times. There being no additional nominations the vote was taken and Harold was elected unanimously.

Marv next presented Lee Steverson as the only candidate for Sectary/Treasurer. Nominations from the floor were called three times. There being no additional nominations the vote was called and Lee was elected unanimously.

The next candidate presented by Marv was Pat Niccum for Chapter Chair. Three times Rich called for nominations from the floor. There being no additionally nominations the vote was called and Pat was elected unanimously.

Each candidate spoke briefly to the membership. Rich then introduced the new board. He also introduced himself and co-president Pauline. Each new board member introduced their spouses.

#### **GOOD OF THE ORDER ANNOUCEMENTS:**

Rich thanked Sue for her years as Secretary/Treasurer and presented her with a rally bar reflecting her years in office and a gift from he and Pauline.

He then thanked Barbara for not only her years of service to the organization but for her additional help to him. Barbara was presented with a rally bar reflecting her years of service and a gift from Rich and Pauline.

Rich thanked Connie Dutton for her outstanding job as historian. He announced the need for a new historian and ask anyone interested to contact him before the close of the rally.

Rich the presented Dave and Ruth Anne and Verne and Linda gifts from he and Pauline in appreciation for the excellent job the have done as wagon masters for the 13<sup>th</sup> national rally.

Verne took the opportunity to thank the members of the Nor East chapter for the help.

Prior to the close of the meeting there were several questions concerning the announcement previously made by Rich regarding membership qualifications. The questions concerned that would propose the bylaw change if one was needed. Rich explained any proposed change to the by-laws would be published in the newsletter prior to the rally. At the rally the proposal would be discussed and wording changes could be proposed from the floor. Lee clarified the process reaffirming Dave's statement that any member could propose a by-law change to be published in the newsletter prior to the next rally.

Connie Dutton thanked Rich, Barbara and Pat for their help.

After thanking the Nor East Kings for the great rally Norma Jablonski and the Central Plains Kings presented an excellent skit and DVD of what the members can look forward in South Dakota.
